Art Unit 2621

PF020116
Customer No. 24498

Remarks/Arguments

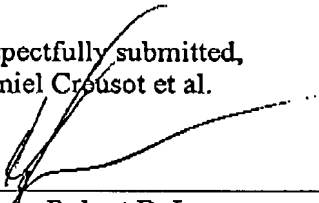

In the Official action dated 5 April 2007, the examiner has required restriction under 35 U.S.C. 121 as between the species of FIG. 1 (corresponding to claims 1-7) and the species of FIG. 4 (corresponding to claims 8-13).

Applicants elect claims 1-7 directed to the species of FIG. 1 and have withdrawn claims 8-13 drawn to the species of FIG. 4. Applicants reserve the right to pursue patent protection for claims 8-13 in a divisional application.

In view of the withdrawal of claims 8-13, applicants solicit entry of this amendment a subsequent examination on the merits. If, however, the Examiner believes such action cannot be taken, the Examiner is invited to contact the applicant's attorney at (609) 734-6820, so that a mutually convenient date and time for a telephonic interview may be scheduled.

Kindly charge the cost of any fees that may be due to Deposit Account 07-0832.

Respectfully submitted,
Daniel Crousot et al.
